Ready to Respond

by MICHAEL LITTLE
Chairman, The Christian
Broadcasting Associates

Disaster can strike anytime, anywhere — and CBN's Operation Blessing is ready to respond, thanks to your prayers and support.

But don't just take my word for it. When the earthquake devastated Haiti, Operation Blessing quickly loaded almost 300 tons of relief supplies onto a U.S. Navy ship bound for the disaster area.

Why were we equipped to answer Haiti's frantic cries for help? Because of compassionate and generous friends like you: CBA partners contributed to this outreach, providing over \$60,000 to help those in desperate need.

The same was true when floods overwhelmed Nashville, mudslides hit El Salvador, a typhoon struck the Philippines, and other disasters occurred around the world. Your prayers and gifts are hard at work, relieving suffering in Jesus' name.

You are also working tirelessly to feed the hungry, give medicine to the sick, and provide lifesaving surgery for those who could never afford it. As you read this issue of *Frontlines*, I pray that you will be blessed to see how you are bringing hope and help to so many people in Canada as well. Thank you.

Pat Robertson Honoured Israel's longtime friend

Pat Robertson was recently honoured for his longtime commitment to Israel by Eagles' Wings Ministries. At a banquet in New York City, Christian and Jewish leaders affirmed the urgency of supporting the Jewish state. Rabbi Dr. Gerald Meister, former advisor to the Foreign Ministry of Israel, said, "We are literally fighting for our lives and for the future of our communities and our faiths." A scholarship in Dr. Robertson's name will send a Christian college student to Israel each year.

Impacting Canada

CBA partners are taking God's love across Canada in so many ways:

- Touching the homeless and hungry in our nation's major cities. As you help supply food, funding and management to urban ministries, each dollar is maximised to reach the lost.
- Sharing Jesus' heart for those in prison. Working with prison ministries, you reach out to prisoners and their families — providing 700 gifts for their children last year.
- Helping the First Nations peoples. Sadly, many from this rich heritage are trapped in horrific poverty and despair. When you help meet their needs, you open doors for the Gospel.
- Ushering in revival for the Inuit. God has not forgotten the Inuit — and many northern communities are being won to Christ. Pray that God's revival fire continues sweeping the north — and our nation!
- Expanding CBA's television coverage to many more regions. We can now be viewed throughout most of Canada. But we have a mandate to blanket our nation with God's love. Your continued support will help share the Father's heart with all Canadians. Thank you!

Because of 700 Club partners like you, CBA reaches out every day to comfort hurting people across Canada with the Gospel of Jesus Christ and the help they desperately need.

TEACHING by PAT ROBERTSON

Rich in Good Works

As we care for the poor, God cares for us

The Apostle Paul gives these instructions to Timothy, a young pastor: *Tell those who are rich in this world not to be proud and not to trust in their money, which will soon be gone. But their trust should be in the living God, who richly gives us all we need for our enjoyment. Tell them to use their money to do good. They should be rich in good works and should give generously to those in need, always being ready to share with others whatever God has given them. By doing this they will be storing up their treasure as a good foundation for the future so that they may take hold of real life* (1 Timothy 6:17-19 NLT).

Around the world, hundreds of millions of people live on about a dollar a day. They are starving, wracked with disease, and miserable. It is God's plan and purpose that we help those who are suffering. When we do, He pours out such blessing that we can't contain it!

And what a blessing it is to know that, together, we are giving people food, clothing and shelter. We are helping victims of earthquakes, floods, tornadoes and fires. We are providing medicine to those who are sick and suffering. Most important, we are sharing the Good News of Jesus with hurting people in Canada and around the world. It's a tremendous privilege that we can bring truth to those who need the Saviour.

Our job is to provide for those in need. And when we are *rich in good works*, the Lord *richly gives us all we need*. God bless you!

THE 700 CLUB IN CANADA

Canada's Christian Purpose

by GEORGE WOODWARD
President of The Christian Broadcasting Associates

In the histories of nations, Canada is a relative newcomer on the world stage. Although inhabited for thousands of years, it was only recently (in 1867) that we were declared to be the Dominion of Canada. In 1982, all vestiges of British rule were ended when the Constitution Act patriated the Canadian Constitution.

Now known as Canada Day, the celebration of our nation's birth was originally called Dominion Day in recognition of its founding principles. Canada was established by many godly men who declared that *He shall have dominion also from sea to sea, and from the*

river unto the ends of the earth, claiming this prophetic promise from Psalm 72:8.

During this celebration weekend, please join us in praying for Canada's Christian purpose to be fulfilled. Revival and reformation must come to Canada so that it can then take the Gospel into all the world.

God, we declare Your Lordship and ask that You have dominion in our lives. *You shall have dominion also from sea to sea, and from the river unto the ends of the earth.*

Living Water for the World

Out of his heart will flow rivers of living water.

by GORDON ROBERTSON
Chief Executive Officer of The Christian Broadcasting Network

~ JOHN 7:38

John 4 tells the story of the Samaritan woman's life-changing encounter with Jesus. While His disciples went into town to buy food, Jesus stopped to rest by a well. A woman came to draw water, and Jesus asked her for a drink. His request surprised her, because Jews usually did not talk to Samaritans, let alone ask a Samaritan woman for water.

Jesus then said to her, *If you knew the gift of God, and who it is who says to you, "Give Me a drink," you would have asked Him, and He would have given you living water. . . . Whoever drinks of the water that I shall give him will never thirst. But the water that I shall give him will become in him a fountain of water springing up into everlasting life* (John 4:10,14). The Greek word for *drink* here means more than just having a cupful; it means "to drink and keep on drinking."

When the woman asked Jesus for this water, He told her to go get her husband. She answered that she had none, and Jesus replied that she was right: she had had five husbands, and the man she was currently with was not her husband. Jesus then revealed to her that He was the Messiah. Instead

of announcing this in the temple, or to the chief priest, or to the Pharisees, Jesus chose a Samaritan woman to tell, "I am the Messiah" (John 4:26). The woman went back to her town and brought others to see Jesus; eventually, because of her, the whole town believed in Jesus.

The disciples went to that same town to buy food. They had spent time with Jesus, and they knew He was the Messiah. Did they share this with anyone in town? Did they ask anyone to come to see Jesus at the well? Or did they just think, "These are only Samaritans, and we're only here to buy food"? Like the disciples, we can get so busy that we are no longer witnesses to the Samaritans all around us.

Jesus makes us a promise in John 7:37-38: *If anyone thirsts, let him come to Me and drink. He who believes in Me, as the Scripture has said, out of his heart will flow rivers of living water.* When we "drink and keep on drinking" the living water that Jesus offers through His Spirit and His Word, He will use us, like the woman at the well, to draw others to Himself.

Scripture is quoted from the NKJV.
